For all the things I never got to do  
For all the dreams that never did come true  
I have one chance to redeem myself  
I've gotta ask that girl to dance

I think about what if she tells me no  
I think about what if she says alright  
As I sit here and I contemplate  
How will I look back on this night?

Ooooh, oooh, yeah

I've only talked with her a couple of times  
When I invited her to Busta Rhymes  
I don't think she heard what I had said  
Attention on her friends instead

As I look back on all that we've been through  
There's only one thing left for me to do  
As I sit here and I contemplate  
How will I look back on this night?

Oooh, oooh, yeah

I only see her looking up at me  
She's looking beautiful as can be  
I have one chance to redeem myself  
So darling would you like to dance?
