This picture says so many things
I wish I never had the nerve to say to you
To say to you
But I could be so many things
I wish that I could never be in front of you
In front of you

And you say that you never believe
You say that it's time

Oh, you can find
A way through the rain
The rhythm of the rain
(The rhythm of the rain)

Songs from your past will play
Through the rain
The rhythm of the rain
(The rhythm of the rain)

Falling down in every way
And letting go of memories
They float away, far away

Trying hard to keep in mind
Once something's gone
You never can go home again
Go home again

And you say that you never believe
You say that it's time

And oh, you can find
A way through the rain
The rhythm of the rain
(The rhythm of the rain)
Songs from your past will play

Through the rain
The rhythm of the rain
(The rhythm of the rain)

Don't stop now the way you're breathing
Don't stop now the way you're breathing
Oh, just look in the eye of a storm
You can't fight tonight

You say that you never believe
And you say that it's time

Oh, you can find
A way through the rain
The rhythm of the rain
(The rhythm of the rain)
Songs from your past will play

Through the rain
The rhythm of the rain
(The rhythm of the rain)
Oh, you can find a way
(Oh, you can find a way)

Oh, you can find a way
(Oh, you can find a way)
Oh, you can find a way
Through the rain
The rhythm of the rain
