Can you see me?
Can you see me?
I've been dying just to see you,
To explain

Can you see me?
Can you see me?
I've been dying just to see you,
To explain

Because the man inside the head
Is now the man I really am
I wanna tell you things have changed
You heard me say
That there's a snakehead in the lake
You wanna get away, it's bad
I've seen it's legs or wings
It's coming as we speak
Do tell me

Why all the need to go on faking?
Something's gotta change
Bang bang bang
You could not miss me
Staring secretly

I wanna go back

Can you see me?
Can you see me?
I've been dying just to see you,
To explain

Because the man inside the head
Is now the man I really am
I wanna tell you things have changed
You heard me say
That there's a snakehead in the lake
You wanna get away it's bad
I've seen it's legs or wings
It's coming as we speak
Do tell me

Why all the need to go on faking?
Something's gotta change
Bang bang bang
You could not miss me
Staring secretly

I wanna go back

Yeah, there's a snakehead in the lake
You wanna get away it's bad
I've seen it's legs or wings
It's coming as we speak
Do tell me

Why all the need to go on faking?
Something's gotta change
Bang bang bang
You could not miss me
Staring secretly

I wanna go back

What I'm saying is
What I'm saying is
Last night I kissed a girl
It wasn't you

What I'm saying is
What I'm saying is
Last night I kissed a girl
It wasn't you
