Here we go again
Daily meals on toilet seats
In time - you'll be back as well
Tell me how you sleep
To the sound of drowning in my sink
Buzzing in my ears

Say quietly:
"I just wanna see you on your knees.
Willing to believe"

It's when the music saves me
I get cozy with myself
I wanna think of you
But Billy pins me down to my old seat
He sings I fall asleep

Say quietly:
"I just wanna see you on your knees.
Willing to believe"
Blue neon sun
Giving light to lonely city night
It pulls me out again

It's when the music saves me
I get cozy with myself
I wanna think of you
But Billy pins me down to my old seat
He sings I fall asleep

(Now I'm 24 I hope there is more
Only 24 I hope there is more)

It's when the music saves me
I get cozy with myself
I wanna think of you
But Billy pins me down to my old seat
He sings I fall asleep

(Now I'm 24 I hope there is more
Only 24 I hope there is more)
