Well, she's so tough. That's why I love her. Love her.

Well, I met a pretty girl, she's walkin' down the street
The kind of girlie that I'd like to meet.
She had blonde hair and she sure looks fine.
Tell me darling, will you be mine?

I know I love you darlin'. I really love you too.
I really love you so. Baby let me
I really love you darlin' and I'll never, never, never let
you go.
Never let you go.

Well, she's so tough. That's why I love her. Love her.

Well that girl and I are happy. We're happy as can be.
I love her and she likes me.
We're gonna stay together, just wait and see.
Call it love babe, yesiree.

I know I love you darlin'. I'll never let you go.
I really love you so. Baby let me
I really love you darlin' and I'll never, never, never let
her go.
Never let you go

Well, she's so tough. That's why I love her. Love her.
So tough. She's tough. Look at that girl. Baby, oooh.
