THE BELLS

The Originals

I'll never hear the bells if you leave me

I'll never hear the bells

I'll never hear the bells if you leave me

I'll never hear the bells

Do you hear what I hear

When your lips are kissing mine

Do you hear the bells honey

Do you hear them ringing

When I'm kissing you baby

What do I have to do

To make you feel the tingling too

Can't you hear the bells honey

Say it's just as good to you as it is to me

I hear the bells

I hear the bells

Oh ringing in my ears

Oh saying do you love me do you love me

Do you love me, do you love me

Like I love you oh baby

True love and joy and faith
And all my strength I'll give to you darling
My love is yours exclusively to enjoy
Any way you want to
One thing I want you to remember
If you ever leave
I believe I'll go insane
Darling I'll never hear the bells again
No, no, no, no, no, no
Oh baby don't leave me, don't leave me baby
