Ooh, I like the way you make me feel like I could be
The number one game in town.
And all those pretty words you say to me, they pick me
up
Whenever I'm feeling down.

But I know you're just a White Witch,
Putting that spell on me.
You know I love the punishment,
So girl keep telling me.

La-la-la Lies
Yeah tell me that you love me.
La-la-la Lies
Look deep into my eyes.
La-la-la Lies
Say there's no one else above me.
I'm the King of Fools, cause baby you're
The Queen of White Lies.

Ooh you're like that Cheshire Cat,
There's a devil that resides behind your smile.
You've got them diamond eyes, they hypnotize
You're unsuspecting victims with your style.

But I know I'm not the one and only
Game you're playing.
You know I love the punishment,
So girl keep saying.

La-la-la Lies
Yeah tell me that you love me.
La-la-la Lies
Look deep into my eyes.
La-la-la Lies
Say there's no one else above me.
I'm the King of Fools, cause baby you're
The Queen of White Lies.

La-la-la-la-la Lies
I'm at your beck and call.
La-la-la-la-la Lies

Anytime, anyplace, anywhere at all.
La-la-la-la-la Lies
So lie to me honey, take all my money,
Just do those things you do to me.

Ooh, I like the way you make me feel like I could be
The number one game in town.
And all those pretty words you say to me, they pick me
up
Whenever I'm feeling down.

But I know you're just a White Witch,
Putting that spell on me.
You know I love the punishment,
So girl keep telling me.

La-la-la Lies
Yeah tell me that you love me.
La-la-la Lies
Look deep into my eyes.
La-la-la Lies
Say there's no one else above me.
I'm the King of Fools, cause baby you're
The Queen of White Lies.
