Knock Knock Knock
Who's there?
Guess who?
Whoooo, you know, I haven't got a clue
Knock Knock
Who's there?
Guess who?
Whoooo, don't keep me guessing
Ooo, I can't let you in
You better begin to tell me who sent you,
Don't say guess who!
Knock Knock
Who's there?

This is the guy who fell in love with you

Come on girl let me in there
You ain't hardly coming in
Look I know there's a party going on in there
And you're not invited
I'll tear this door down
I ain't gonna let you worry me honey
Ya you better come on and act right
I ain't gonna let you shake these nerves
Look look you're making me mad now
Tough baby
I want to party here tonight
Not this evening
