Let Me In
The Osmonds

Lovin' you could be so easy,
lovin' you could make me warm.
Ever since the day I left you,
I try, but I just can't get you
out of my mind.
Thought that I could do without you,
thought I had to look around.
But now that I know I need you,
and promise that I'll never leave you,
won't you please...
Let me in,
let me in your arms again.
Let me give my love to you once more.
Let me love you, let me love you.
Take me in,
take me in your arms to stay,
and I'll never go away again.
'Cause I love you, 'cause I love you.
I'll never be the same without you,
if I have to say goodbye.
I have no right to ask you,
but if you can, won't you try to
love me?
(Won't you try to love me)
Help me?
(I need you so badly)
And let (and let me)...
Let me in,
let me in your arms again.
Let me give my love to you once more.
Oh, 'cause I love you, 'cause I love you.
Oh, take me in,
take me in your arms to stay
and I'll never go away again.
Oh, 'cause I love you, 'cause I love you.
Oh, let me in
let me in your arms again.
Let me give my love to you once more.

Oh, let me love you, let me love you.
Take me in,
take me in your arms to stay
and I'll never go away---
