Well you're walking straight ahead  
But you're looking to your right  
Got your eyes down low  
But you hold your head high

A hola hola ho  
And a hola hola hey  
Another holiday

Beach, the sun  
And sand dunes  
Takes me far away

Distant lands  
Are not so far away  
I don't know  
Why we don't go

Take my hands  
I'll show you the way  
Pack your bags and sail away

Well, I hate my job  
And I got no car  
And my aching feet  
Won't take me that far

A hola hola ho  
And a hola hola hey  
Another holiday

Kiss me in the moonlight  
Listen to the waves

Distant lands  
Are not so far away  
I don't know  
Why we don't go

Take my hands  
I'll show you the way  
Pack your bags and sail away

Beach, the sun  
And sand dunes  
Takes me far away

Distant lands  
Are not so far away  
I don't know  
Why we don't go

Take my hands  
I'll show you the way  
Pack your bags and sail away

Another holiday

Distant lands  
Are not so far away  
I don't know  
Why we don't go

Take my hands  
I'll show you the way  
Pack your bags and sail away
