GIRL IN LOVE

The Outsiders

Girl in love dressed in white

Crying crying on her wedding night

The gown of lace hung on a chair

The pretty gown she'll never wear

Never wear

There were no vows no vows today

Her lover her lover is far away

The chapel bells will never ring

Of her love or a wedding ring

Wedding ring

Vows so tender never never said

Only tears to fill her heart instead

Her gown of lace hung on a chair

Her love last night was sitting there

The pretty gown she'll never wear

Her love left her standing there

Standing there

(Instrumental interlude and end)
