(La la la la la) yeah  
(La la la la la) yeah  
(La la la la la) yeah  
(La la la la la) yeah

Seems like everywhere I go  
I have so many requests to do a tune by the late great  
Sam Cooke  
There were so many great tunes he did in the 60s  
That it would take me really all night long to go through  
them

Now if you feel like clapping your hands or singing  
along with us  
Sing your sing...

We're having a party  
Everybody's swingin'  
Dancin' to the music  
On the radio

Cokes are in the icebox  
I got some popcorn on the table  
Me and my girl  
Are out here on the floor

Let me tell you Mister, Mister DJ  
Why don't you Keep those records playing  
'Cause I'm a having such a good time  
Dancing with my baby

Alright, dig this...

Here's a fellow in evenin' clothes  
How he got here, we don't know  
But he's having such a good time  
Ah, he's dancing with his baby

Don't know much about history  
Don't know much biology  
Well I'm having such a good time  
Dancing with my baby

Why don't you meet me  
We're gonna have  
We're gonna be having such a good time  
Dancing with my baby  
And I'm a tellin' her

Soothe me baby, soothe me  
Soothe me with your kind lips  
Don't you know you're all I love  
And I'll soothe it

Hey, hey, hey now, hey now  
Hey, hey, hey now, hey now  
A little bit louder  
Hey, hey, hey now, hey now  
With some spirit  
Hey, hey, hey now, hey now
