smile clap speak choke, have some beers and snort  
some coke,  
govern rule screw-up blow, kill some convicts on death  
row  
wash rinse buff wax, make sure my friends don't get  
taxed,  
smirk roll insult lie, pray that we can bring back spies  
run for the hills its the fucking 2nd coming,  
guy can't tie his shoes now our government he is  
running  
work rest play die, send more prisoners off to fry,  
exploit displace weaken decay, start up the ftaa  
assault deploy attack invade, let's repeal roe v. wade,  
think write guess plan, least we still have greenspan
