Verse 1:

Every single time
I tried to turn my back,
People kept blaming it on me,
When it was Zack! (it was Zack)
So I made them pay
And they didn't know what to say;
When I screamed it out
And then you came;
And said

Chorus:

I don't want it to be
So after noon
And there's
Twenty-five guys
That are singing
This song
Since we knew
That baby I don't to do
What you wanted me to;
I don't want it to be
So after noon.

Bridge:

I don't want it to be,
After noon! (want to be)
After noon! (want to be)
After noon.(want to be)
After noon (want to be)
After noon.

Verse 2:

That very night
We were scared
And we didn't
Want to care (want to care)
But sadly we did,
And she started to have a fit,
Then she screamed
It felt too mean
Then she said

Chorus:
I don't want it to be
So after noon
And there's
Twenty-five guys
That are singing
This song
Since we knew
That baby I don't to do
What you wanted me to;
I don't want it to be
So after noon.

New Bridge:
It been so long
It's been too hard
And I said...

Chorus:
I don't want it to be
So after noon
And there's
Twenty-five guys
That are singing
This song
Since we knew
That baby I don't to do
What you wanted me to;
I don't want it to be
So after noon.
After noon...
