(HARP INTRO)

Well look see the moon comes risin' - tomorrow is  
yesterday

He left his home and now he's gone - a hopin' to find a  
way

A story of Rueben the cobbler - I'll tell you in this style

How he went down the road with his load - and shouted  
for a thousand miles  
Oh country girl, oh won't ya come to me tonight

Oh country girl, smother me with delight

Oh country girl, ya drive away the pain

Oh country girl, ya make sunshine of the rain

(HARP SOLO)

With a hop and a hoop and a holler - he carried out his  
dues

Till the rotted roof made the push - that took old  
Rueben's shoes

And I wonder to be there with him - in that sky of grey

We'd sit on a cloud and cry out loud - till tomorrow is  
yesterday  
Oh country girl, oh won't ya come to me tonight

Oh country girl, smother me with delight

Oh country girl, ya drive away the pain

Oh country girl, ya make sunshine of the rain  
Oh country girl, oh won't ya come to me tonight

Oh country girl, smother me with delight

Oh country girl, oh, ya drive away the pain

Oh country girl, oh, ya make sunshine of the rain

Ya make sunshine
