(PIANO INTRO)

If you want me to sail

To the far end of the island

If you want me to dive down

And gather you pearls

If you want me to shine

Like a light up in the lighthouse

If you want me to take you

To the end of the world
Just show me the way

One more way,

One more way
Little darlin' now don't you see

This crazy lovin' has got to me

Little darlin' now don't you know

This crazy lovin' has got to go
If you want me to ride

To the far side of the mountain

If you want me to bring back

All the silver and gold

If you want me to run

Like a thief up in the canyon

If you want me to find out

What's never been told
Just show me the way

One more way,

One more way
Little darlin' now don't you see

This crazy lovin' has got to me

Little darlin' now don't you know

This crazy lovin' has got to go
(GUITAR SOLO)

(ahh, ahh, ahh, ahh)

(ahh, ahh, ahh, ahh)

(ahh, ahh, ahh, ahh)

(ahh, ahh, ahh, ahh)
Little darlin' now don't you see

This crazy lovin' has got to me

Little darlin' now don't you see

This crazy lovin' has got to me

Little darlin' now don't you know

This crazy lovin' has got to go
