(INTRO)

There's a light that no one sees

But it's as bright as the sun to me

Everywhere she, everywhere she goes

There's a song that no one hears

But to me, it sounds so clear

Everywhere she, everywhere she goes

Everywhere she goes, she takes my heart and soul

Everywhere she goes, she let's me feel what

Only heaven knows

Never mind what wise men say

I will follow anyway

Everywhere she, everywhere she goes

Every time I hear her call

I stop and start to fall

Everywhere she, everywhere she goes

Everywhere she goes, she takes my heart and soul

Everywhere she goes, she let's me feel what

Only heaven knows

Everywhere she goes

Everywhere she goes

(MANDOLIN / GUITAR SOLO)

There's a dream no one believes

But it's right as rain to me

Everywhere she, everywhere she goes
Everywhere she goes, she takes my heart and soul

Everywhere she goes, she let's me feel what

Only heaven knows

Everywhere she goes, she takes my heart and soul

Everywhere she goes, she let's me feel what

Only heaven knows
Everywhere she goes

Everywhere she goes

Everywhere she goes

Everywhere she goes

(ooooohhhh)

(ooooohhhh)

(ooooohhhh)

(ooooohhhh)

(ooooohhhh)
