(GUITARS, MANDOLIN, BANJO & HARP INTRO)

Standin' in the trees, I get lifted by the leaves

And carried away by the wind

Turning around I touch down on the ground

And then I'm drifted away again
You've got to fly away on home hallelujah

Fly away

Fly away on home

And get carried away by the wind

(GUITAR SOLO)
Looking out my window reflections of a rainbow

As that evening rain comes down

Trumpets start to blowin' when them stars start glowin'

And my head gets lost in the sound
And you've got fly away on home hallelujah

Fly away

Fly away on home

When that evening rain comes down

(HARP SOLO)
(ohh, ohh)
You've got fly away on home hallelujah

Fly away

Fly away on home

When that evening rain comes down

Let your head get lost in the sound
When that evening rain comes down
Fly away
