(GUITAR INTRO)

Well, please please respond, I'll take offers from y'all

And I'm bound to get my money back some day

Lookin' for a bargain, you just call, take you a little or
take it all

But it's good that I don't keep records anyway
Don't go looking for anything new, find ya a used one
that will do

Things get better after several years of age

Don't you never buy new and pay on time, when you
can get a used one for a dime

Well a book's no good, if someone turned the page
Kick it on the tire, now brother, slap it on the hood

Wouldn't tell you nothin' if it weren't no good

Look him in the teeth, now brother, look him in the eye

I guarantee that he'll never die

And it's your good luck to know an old horse trader like
me

(ELECTRIC GUITAR SLIDE SOLO)

Don't go lookin' for anyone new, someone used will
surely do

Someone faded from a lonely trip for two

Someone ripped me in the past, someone driven' hard
and fast

It's your choice now baby, don't leave for someone new

Don't you do it

Kick it on the tire, now brother, slap it on the hood

Wouldn't tell you nothin' if it weren't no good

Look him in the teeth, now brother, look him in the eye

I guarantee that he'll never die

And it's your good luck to know an old horse trader like
me

Yes, it's your good luck to know an old horse trader like
me

Yes it is,

Don't you know it is?

Yes, it is
