(GUITARS INTRO)

I know people who lose their lovers

Turn around and they find another

They fall in love and then they break up

But I don't know if I want to wake up  
'cause I'm still dreamin'

I'm still dreamin', baby

I'm still dreamin'

Oooh,

About you  
Other women walk right up to me

I hear 'em talkin' but it goes right through me

I know it's love that's on the line

But they don't know what's on my mind and  
I'm still dreamin'

I'm still dreamin', baby

I'm still dreamin'

Oooh,

About you  
It's like a voice that's always calling

It's like a feeling that I'm always falling

I close my eyes and all I see is you, baby

(GUITAR SOLO)

I remember just what you told me,

"let me go, don't try to hold me"

You may be right, it may be wrong

It's never over until it's gone and  
I'm still dreamin'

I'm still dreamin', baby

I'm still dreamin'

Ooh

Ooh

I'm still dreamin'

I'm still dreamin'

Ooh

I'm still dreamin'

I'm still dreamin'

About you
