(INTRO)

Layin' round makin' butter from the cream

I know that we seen each other in a dream

My heart starts yearnin' when I'm all alone

So keep on churnin' till the cows come home
Keep on churnin' and don't go slow

Keep on churnin' everybody knows

You got to keep on churnin'

Or it just don't mean a thing
Fryin' pan's goin' crazy on the stove

A blue sky's growin' hazy in the cold

If I'd quit now it'd surely be a sin

I got to keep on churnin' till the end begins
Keep on churnin' it ain't no lie

Keep on churnin' till the day we die

We got to keep on churnin'

Or it just don't mean a thing
Love is like honey from a bee

Found in the bottom of an old oak tree

It may sound funny but it's a shame

If you lose your honey, then you lose the game

(GUITAR SOLO)

Keep on churnin' it ain't no lie

Keep on churnin' till the day we die

We got to keep on churnin'
Or it just don't mean a thing
Layin' round makin' butter from the cream
I know that we seen each other in a dream
My heart starts yearnin' when I'm all alone
So keep on churnin' till the cows come home

(HARP SOLO)

Keep on churnin'

Keep on churnin'

Keep on churnin'

Keep on churnin'

Keep on churnin'

Go to keep on churnin'

Keep on churnin'

Keep on churnin'

Got to keep on churnin'

Got to keep on churnin'
