(PIANO & GUITAR INTRO)

Well, babe, you could be a standing in my kitchen

Or floating on your back in a deep blue sea

A wiser is the man who seeks new visions

And tries to keep his heart and mind toll-free
Look away, oh, Lord, look away, yeah

Look away, oh, Lord, look away
A running along, peeking down hole and alley

Just tryin' to find the Gospel, don't you know

I heard the sound of a cryin' down in the valley,

But what is there is only sticks and stones
Look away, oh, Lord, look away, yeah

Look away, oh, Lord, look away

(GUITAR SOLO)

A checking it out in town I'm feeling lonely,

You know that some of them women sure look good

A checking it up and down, now you should have told
me

There ain't no pretty things in my neighborhood
Look away, oh, Lord, look away, yeah

Look away, oh, Lord, look away

(short GUITAR SOLO)

Look awaaay,

Look awaaay,

Look awaaay
