(ELECTRIC SLIDE GUITAR INTRO)

Watch the water flow underneath the rainbow

Everyone is gone away

It don't have to come some other time
The sky is changin'

I can hear the singin'

Clouds will soon be alright

Bringin' on the daylight

Let it rain

Let it rain

Let it rain

And bring on the sunshine
People turn and go every time the wind blows

Rain clouds don't bother me

Noah had to ride the storm before he got the sign
Go and tell the people

From the highest steeple

Runnin' in and out of time

Tearin' down them battle lines

Let it rain

Let it rain

Let it rain

And bring on the sunshine

(ELECTRIC GUITAR SLIDE SOLO)

The sky is changin'

I can hear the singin'

Clouds will soon be alright

Bringin' on the daylight

Let it rain

Let it rain

Let it rain

And bring on the sunshine
