(VOCALS INTRO)

You got me sailin' 'round the world

Sailin' 'round the world

You got me sailin' 'round the world

With you
Strangers try to tell me

All my friends agree

There ain't no kind of fool like me

Yeah but there's no need to worry

I know it's hard to see

That you're the only girl for me
You got me sailin' 'round the world

You know I'm sailin' 'round the world

You got me sailin' 'round the world

With you
You got me sailin' 'round the world

You know I'm sailin' 'round the world

You got me sailin' 'round the world

With you

Around the world with you
I used to be unlucky

I felt so all alone

And everything I did was wrong

I thought it never would get better

You turned that around

Now I may never come back down
You got me sailin' 'round the world

You know I'm sailin' 'round the world

You got me sailin' 'round the world

With you
Sailin' 'round the world

You know I'm sailin' 'round the world

You got me sailin' 'round the world

With you

'round the world with you

(HARP SOLO)

(GUITAR SOLO)
Sailin' 'round the world

You got me sailin' 'round the world (hmmm)

Sailin' 'round the world

With you
You got me sailin' 'round the world

Yeah, I'm sailin' 'round the world

You got me sailin' 'round the world

With you
Sailin' 'round the world

You know I'm sailin' 'round the world

You got me sailin' 'round the world

With you

Around the world with you
