(GUITAR INTRO)

Everything's freezin' up fast

Everyone's lookin' for wood

Some folks say it won't last

Some folks say it's for good
I got my lady and my time to kill

I guess I'll stay here by this window sill

'cause I'm

Snowbound,

Snowbound
Somebody said it's a sign

Somebody said it's a shame

Somebody said it's a crime

Who do you blame
I got my firewood and my kerosene

I think I'll lay back and just dream a dream

'cause I'm

Snowbound,

Yes, I'm snowbound

(HARP SOLO)
There ain't no way to get out

There ain't no way to get in

I don't know what it's about

And there ain't no sign of the end
I got my rocker and my apple wine

I might just stay here 'til the end of time

'cause I'm...

Snowbound
