(GUITAR INTRO)

Some folks go to the motel and some folks go to the  
brush

And some folks go for that funky thing and some folks  
go for the rush

But I thought we had a real love filled with a common  
trust

Till your love slipped and I got hip now nothing ain't like  
it was  
And we're traveling on

Thin ice, baby

Thin ice, baby

We're traveling on

Thin ice, baby,

Thin ice

(HARP SOLO)

(GUITAR SOLO)

I'm giving up living that nightlife I'm giving up walking  
the street

I'm giving up waiting for sunrise and the high-heeled  
sound of your feet

And you said we had a rare wine with a taste so  
bittersweet

But that's all wrong our good thing's gone it ain't like it  
used to be  
And we're traveling on

Thin ice, baby

Thin ice, baby

Yeah we're traveling on

Thin ice, baby

Thin ice

Thin ice, baby

Oh yeah, we're traveling on

Thin ice, baby,

And ooh, we're traveling on

Thin ice, baby,

And we're traveling on,

Thin ice, baby

And we're traveling on,

Thin ice, baby

Aah we're traveling on,

Thin ice, baby

Aah we're traveling on,

Thin ice, baby
