(KEYBOARDS INTRO)

Where the snow melts

And the shadows bend

Weeping willows dance

And the sea swells

At the river's end

Calling in the trance

And our eyes meet while the watermill

Turns the stubborn stream

And my life breaks on the waterwheel

Into a dream

When the light fades

And the wind is still

Hear the cricket's rhyme

And the cascades

Of the river spill

Falling out of time

And our eyes meet while the watermill

Turns the stubborn stream

And my life breaks on the waterwheel

Into a dream

(ELECTRIC GUITARS SOLO)

(HARP SOLO)

So the earth turns
Like a paddlewheel
Secret still in spin
And the sun burns
On a golden field
Where you've always been
And our eyes meet while the watermill
Turns the stubborn stream
And my life breaks on the waterwheel
Into a dream
(SAX SOLO)
