He told me what to do.
I told him where to go.
He looks the other side.
Caught up on the bedroom wall.
Tried to put me down.
I don't know what to do.
He looks the other side.
He didn't have a single clue.

I was better to kill him,
Gonna stop him from breathing.
I was better to kill him.
Gonna stop him from breathing.

He thought he was my friend
Didn't like him a little bit.
He came down because he was here.
How I wish he'd disappear.

I was better to kill him,
Gonna stop him from breathing.
I was better to kill him.
Gonna stop him from breathing.

I was better to kill him,
Gonna stop him from breathing.
I was better to kill him.
Gonna stop him from breathing.

I was better to kill him,
Gonna stop him from breathing.
I was better to kill him.
Gonna stop him from breathing
