I cried in the Rain, nobody noticed.  
I cried on the train, nobody noticed.

City's anonymity, you can say it suits me.  
I cried for my freedom I cried for my loss  
I cried for what could have been, I cried for what's not.

Cried in the rain, nobody noticed.  
Cried on the train, nobody noticed

City's anonymity, you can say it suits me.  
I cried for my freedom I cried for my loss  
I cried for what could have been, I cried for what's not.

I can't reach out- I'm not my mother's baby,  
I can't reach out, I'm not the baby

I'm going, I'm going, I don't know where I'm going  
I'm going I'm going, I don't know where I'm going

Oh nobody noticed.  
Oh nobody noticed.
