I'm silent  
In the rolling wake  
Of lucky and adored  
Ugly  
A blur on the side  
So easily ignored

Speechless  
In my screaming way  
They all laugh and smile  
Spotlights  
Give the loved a stage  
But only burn the shy

I will always be the outsider  
Will I always walk the road alone?

Disguised  
So the crowd can't see  
My strategies and plans  
The last  
Of the shopworn secrets  
No one understands

I will always be the outsider  
Will I always walk the road alone?  
Will I always find it hard to  
Make this world of lies  
My own

I'd give it all  
All to find my way  
Inside you  
I can't fake myself round  
To fit the hole  
That hides in you  
Looking at me  
I know just what you'd say  
If you cared

I will always be the outsider  
Will I always walk the road alone?

Will I always find it hard to  
So hard to  
Make this  
World of lies  
My own
