Angelyn
Rise above the bitter end
Angelyn
Your smile won't let the winter in
I needed you
More than I thought I ever did
Won't you just
Bring your sweet touch back again

'Cos I lied, I lied

Angelyn
The morning sun won't rise again

Everythig
Belongs to where we started it
I'm falling down
More than I could ever stand
Angelyn
Won't you bring your healing hand

'Cos I lied, I lied
Kept your world inside

Can't take back the years
Can't swallow the tears
