I've been here before  
I'll be back for more  
Maybe this time I can stay  
Forever more

Wonder what the future brings  
Fortune tellers and time machines  
I predict what they'll predict for me  
That I keep coming back to you

Coming back to you  
Coming back to you  
Coming back to you  
Coming back to you

One day they'll get it right  
I will live and I will die  
A million times as long as you are mine  
I keep coming back to you

Coming back to you  
Coming back to you  
Coming back to you  
Coming back to you

Coming back to you  
Coming back to you  
Coming back to you  
Coming back to you

Go back and go ahead, over again I'll meet you, baby  
Tomorrows, yesterday's impossible to leave you, baby  
Any way and every day I'll take you baby  
They call it dÃfÃ©jÃfÃ vu but I'm, I'm just in love with  
you

They call it dÃfÃ©jÃfÃ vu, but I'm, I'm just in love with  
you  
They call it dÃfÃ©jÃfÃ vu, but I'm, I'm just in love with  
you  
They call it dÃfÃ©jÃfÃ vu, but I'm, I'm just in love with  
you

They call it dÃfÂ©jÃfÂ vu, but I'm, I'm just in love with  
you

Coming back to you  
Coming back to you  
Coming back to you  
Coming back to you

Coming back to you  
Coming back to you  
Coming back to you  
Coming back to you

Coming back to you  
Coming back to you, yeah  
I keep coming back to you
