Hold up the light  
Save the world from darkness  
Say it again  
Hold up the light  
Won't you please America

It's time for all of us  
Who claim in God we trust  
To take a stand  
Let our voice be heard  
Across the nation  
To every man

If we are the light  
It's time for all of us to fight  
For what is right  
We must work while it is day  
Before the fall of night

Voices crying, young people dying  
Lost, nowhere to run  
So I'm asking, takes sacrificing  
Time for us to come and  
Hold up the light

Hold up the light  
Save the world from darkness  
Say it again  
Hold up the light  
Won't you please America

Boys and girls  
Can't you see  
The kind of friend  
Crack can be

Voices crying, young people dying  
Lost, nowhere to run  
So We're asking, takes sacrificing  
Time for us to come and  
Hold up the

Hold up the

Hold up the light  
Save the world from darkness  
Hold up the light  
Won't you please America

Say one more time

Hold up the light
