When I think of home  
I think of a place where theres love overflowing  
I wish I was home  
I wish I was back there with the things I been knowing

Wind that makes the tall trees bend into leaning  
Suddenly the snowflakes that fall have a meaning  
Sprinklin the scene, makes it all clean

Maybe theres a chance for me to go back there  
Now that I have some direction  
It would sure be nice to be back home  
Where theres love and affection  
And just maybe I can convince time to slow up  
Giving me enough time in my life to grow up  
Time be my friend, let me start again

Suddenly my world has changed its face  
But I still know where Im going  
I have had my mind spun around in space  
And yet Ive watched it growing

If youre listning god  
Please dont make it hard to know  
If we should believe in the things that we see  
Tell us, should we run away  
Should we try and stay  
Or would it be better just to let things be?

Living here, in this brand new world  
Might be a fantasy  
But it taught me to love  
So its real, real to me

And Ive learned  
That we must look inside our hearts  
To find a world full of love
