If I'm not in love with you what is this I'm going through tonight?

And if my heart is lying then what should I believe in?

Why do I go crazy every time I think about you baby?

Why else do I want you like I do if I'm not in love with you?

And if I don't need your touch why do I miss you so much tonight?

If it's just infatuation then why is my heart aching?

To hold you forever, give a part of me I thought I'd never

Give again to someone I could lose if I'm not in love with you

Why in every fantasy do I feel your arms embracing me?

Lovers lost in sweet desire

Why in dreams do I surrender like a little baby?

Someone help explain this feeling, someone tell me

If I'm not in love with you what is this I'm going through tonight?

If my heart is lying then what should I believe in?

Why do I go crazy every time I think about you baby?

Why else do I want you like I do if I'm not in love with you?

If I'm not in love with you why do I go crazy?
