We've proven romance is still
The best of everything
That sudden thrill
The best of everything

That one little sigh
Is treasure you cannot buy
Or measure by any test
The best of everything

You found the moon and the sand
Yes, he's the one it seemed
But soon it's done
And it's not the fun it seemed

You walked through the night just a hoping
It's still alright you're hoping
Love can be all or nothing
But even when it's nothing

It's still the best
The best of everything, of everything
I've got the best, my love
Love is, it's the best of everything

We've proven romance is still everything
It's the best of everything
I've got the best of everything
Honey, you're the best of everything

I got the best of everything
The best of everything
