Feels like I've seen you before  
Maybe in a past life, you were mine and I was yours  
'Cause the vibe we share feels so comfortable  
Is it possible someone could make me lose control?

Look what you've done to me, finding it hard to breathe  
'Cause I just can't believe you're feeling me like I'm  
feeling you  
I had to pinch myself 'cause nobody else has given me  
such a chill  
And made me feel the way that you do

I just gotta let you know in case you didn't know  
I-I-I think you're wonderful  
There's this thing you do to me  
That thing that makes me weak  
Baby I-I-I think you're wonderful

Questioning what this is, if it's too good to be true  
I don't wanna fool myself 'cause I'm fallin' hard for you  
Givin' me that old school love, sayin' I'm the only one  
Showin' me in so many ways that you're crazy for me

Look what you've done to me, finding it hard to breathe  
'Cause I just can't believe you're feeling me like I'm  
feeling you  
I had to pinch myself 'cause nobody else has given me  
such a chill  
And made me feel the way that you do

I just gotta let you know in case you didn't know  
I-I-I think you're wonderful  
There's this thing you do to me  
That thing that makes me weak  
Baby I-I-I think you're wonderful

I'd go anywhere far away from here  
It would be okay as long as you are there  
You'll take away my pain, I'll never be the same  
You've got my heart baby and I just want to say

I just gotta let you know in case you didn't know

I-I-I think you're wonderful  
There's this thing you do to me  
That thing that makes me weak  
Baby I-I-I think you're wonderful

I just gotta let you know in case you didn't know  
I-I-I think you're wonderful  
There's this thing you do to me  
That thing that makes me weak  
Baby I-I-I
