Love it's not I who didn't try  
Hard enough hard enough  
And this is why I'm saying goodbye  
I've had enough, I've had enough

Love you don't see the pain in me  
It's plain enough, plain enough  
You're never here to catch the tears  
I cry for us, I cry for us

I'll take my share but I'll be fair  
There's not much stuff, easy enough  
And if you chose, I'll break the news  
This part is tough, so very tough

I've tried and tried to put aside  
A time to talk, but without luck  
So I'll just pin this note within your coat  
And leave the garden gate unlocked

Love it's not I who didn't try  
Hard enough hard enough  
And this is why I'm saying goodbye  
I've had enough, I've had enough
