Can you hear me down the hillside
From the top of this tall tree
I never get to feeling lonesome
All my friends are here with me
All the birdies in the branches like to watch me as I
swing
Then I climb up there beside em and we all begin to
sing
YodelÂ.....

Well here's little Willy wagtail
He just flew into town
He always seems to find me
Whenever he's around
He promises that someday he will teach me how to fly
Though he tells me in the meantime I should just be
satisfied with
YodelÂ.....

Well hello there Mr sunshine
Watching over land and sea
I think that it's about time
You harmonise with me
All the birdies in the branches like to watch me as I
swing
Then I climb up there beside em and we all begin to
sing
YodelÂ...Â...
