He wants to add to the family tree
He wants at least two or three
He's been waiting impatiently
For me to add to the family tree
There's lots of hugs and kissing everything is oh so
sweet
But he says there's something missing, the pitter patter
of little feet
He's positively clucky like a rooster in a chicken house
Dirty nappies on the line, coochie cooing all the time
Does he know what he's talking about
He wants to add to the family tree
He wants at least two or three
He's been waiting impatiently
For me to add to the family tree
He came home with a boot load of stuff to paint the
spare room blue
Lego and some play dough and a Bob the builder tool
box too
He's oh so gung ho, guess it's time for me to face the
fact
I'll be feet up on the couch with a Joey in my pouch
Getting ready for an broken back
He wants to add to the family tree
He wants at least two or three
He's been waiting impatiently
For me to add to the family tree
Dirty nappies on the line, coochie cooing all the time
I guess doesn't sound so bad if he's cute and cuddly
And looks a little bit like me with more hair than his dad
He wants to add to the family tree
He wants at least two or three
But right now one'll do me
To add to the family tree
Add to the family
Add to the family
Add to the family tree
