I'm finding it hard to concentrate  
Can't wipe this smile back off my face  
Well what I'm thinking ain't no sin  
You make me feel fifteen again

Yeah I've forgotten how good it feels  
To have found a love where the wounded heal  
I pray to God this never ends  
'Cause you make me feel fifteen again

You've got to be kidding me  
The way you're bringing out the kid in me  
I said yeah yeah yeah what is this feeling inside  
It's been some time since butterflies

Yeah I'd do anything for this  
Anything to taste one more sweet kiss  
Oh baby just tell me where and when  
'Cause you make me feel fifteen, feel fifteen  
You make me feel fifteen again

Solo

You've got to be kidding me  
The way you're bringing out the kid in me  
Singing yeah yeah yeah what is this feeling inside  
It's been so long since butterflies

I'm finding it hard to concentrate  
Oh let alone contemplate  
You taking me back to what I felt back then  
'Cause you make me feel fifteen, feel fifteen, you  
make me feel fifteen again

Yeah you make me feel fifteen, feel fifteen, you make  
me feel fifteen again
