At a roadhouse an hour outta Rocky  
She said "You look like you need a cup of coffee"  
"Pull up a chair, I'll be over in a jiffy",  
Really made me feel at home  
We got talking 'bout her hubby and kids  
And how she wouldn't change her life for quids  
I was thinking how lucky she is  
To be so satisfied with her lot in life

Chorus

Real people  
There's nothing not to like about 'em  
Posers and primadonnas I reckon we can do without  
'em  
Salt of the Earth know where you stand  
Throw you a rope lend you a hand  
Real people

Blew a tyre on a broken beer bottle  
I tried to change it but I was having trouble  
When a truckie with a two day stubble  
Said "Need a hand there love?"  
We got talking 'bout life on the road  
And how he loves his country radio  
He said "Hey aren't you that Beccy Cole?"  
I said "Yeah something like that"  
And signed "Love Beccy" on his hat

Repeat Chorus

Real people

Salt of the Earth know where you stand  
Love what you do do what you can  
Throw you a rope lend you a hand

Real people

There's nothing not to like about 'em  
Posers and primadonnas I reckon we can do without  
'em  
Real people

There's nothing not to like about 'em

Posers and primadonnas I reckon we can do without  
'em  
Real people  
Real people
