Life can be a hard gravel road  
And the weight of the world is one heavy load  
When you need a place to just lay low  
And hear somebody say

Rest your weary mind  
I promise you'll be fine  
I'll rock you in these arms of mine  
Come rest your weary mind

There's a sadness coming thru  
That's nothin' like the girl I knew  
So if you need someone to just love you  
I will softly say

Rest your weary mind  
I promise you'll be fine  
I'll rock you in these arms of mine  
Come rest your weary mind
