VERSE:

The you I fell in love with is gone
Why does it take forever to be strong
And finally end a love that feels so wrong
What was I thinking?

VERSE:

I gave you all the love I ever could
Hoping there may come a day you would
Give me back the love I gave as good
What was I thinking?

CHORUS:

What was I thinking yeah
Was I thinking that my heart wouldn't break
Now I think about it yeah
I just wasn't thinking straight
At first I was falling yeah
Ended up sinking
What was I thinking
What was I thinking

VERSE:

It'll take some time to find my way
But I will live to love another day
And look back on what we had and say
what was I thinking

CHORUS:

What was I thinking yeah
Was I thinking that my heart wouldn't break
Now I think about it yeah
I just wasn't thinking straight

At first I was falling yeah
Ended up sinking
What was I thinking
What was I thinking
What was I thinking
What was I thinking
