I only want you to like me
So I'll never, never tell the truth
The truth might sell me short
I'm naked pauper in the queen's court

I'll take my chances and lie so you can see my full
potential
I'll take my chances and lie so you can see my full
potential

I'll tell you my buddies are all stars
And show you autographs on my books and my balls
You ask why do I bother with other peoples' stories
When mine are smaller, but more funny

I'll take my chances and lie so you can see my full
potential
I'll take my chances and lie so you can see my full
potential

ImpressionsÂ...that's how I flow
ImpressionsÂ...that's how I flow
ImpressionsÂ...that's how I flow

I only want you to like me, so I'll never, never tell the
truth
I'll take my chances and lie so you can see my full
potential
I'll take my chances and lie so you can see my full
potential
I'll take my chances and lie so you can see my full
potential

ImpressionsÂ...that's how I flow
ImpressionsÂ...that's how I flow
ImpressionsÂ...that's how I flow
