You tell me that you love me  
you really come on strong  
What about the lady that you've got at home?

Please come on in....  
Please come on in....

Love me or leave me let me be lonely  
I'd rather be lonely than happy with somebody else....  
Somebody else.....

You might find the night time  
the right time for kissin'  
regretting instead of forgetting with somebody else

You tell me I'm your baby  
that you dig me the most  
what about the babies that you have from coast to  
coast?

Please come on in....  
Please come on in....

Love me or leave me let me be lonely  
I'd rather be lonely than happy with somebody else....  
Somebody else.....

Love me or leave me let me be lonely  
You don't believe me, I love you only  
I'd rather be lonely than happy with somebody else  
Somebody else.....
