Here we're selling plots of land,
American Dream is close at hand
Build a house of the least expense
Surround it with a chain link fence
Got a car that's shiny and fast
Now I've got success at last

Poke me with Â... Poke me withÂ... poke me with a fork
I'm done
Poke me with Â... Poke me with Â...poke me with a fork
I'm done

I've seen the faces of a million human beings they told
me everything
I've seen the faces of a million fighting men they told
me everything
I've seen the faces of a million refugees Â.....they told
me everything
I've seen the faces of a million presidents and now I
know, now I know everything
