Oh my, looky there  
Stone-cold foxy, platinum hair  
Short skirt, barely there  
Make a chick wanna hate, make a boy wanna stare.

Well, Ms. Hilton you must be worth a trillion bucks  
Get the feelin' that you don't really give a fuck  
Ms. Hilton I like the way you push and glide  
Rollerskates on a social butterfly, whoo!

Breeze by, velvet ropes  
Ski this town like a bunny slope  
Oh my, there she goes  
A Long money girl in her short money clothes

Well, Ms. Hilton you must be worth a trillion bucks  
Was it you with your bunny all up in the club?  
Ms. Hilton I like the way you push and glide  
Rollerskates on a social butterfly, common

Ms. Hilton you must be worth a trillion bucks  
Get the feelin that you don't really give a fuck  
Ms Hilton I like the way you push and glide  
Rollerskates on a social butterfly

Well, Ms. Hilton you must be worth a trillion bucks  
Was it you with your bunny all up in the club?  
Ms. Hilton I like the way you push and glide  
Rollerskates on a social butterfly, whoo!

Ms. Hilton  
Ms. Hilton  
Ms. Hilton
