It's a lazy summer day,
And I'm happy to be near you
It's a lazy summer day,
And the cherry clouds when I hear you
And it sounds so young and free,
Come and share this day with me
It's a lazy day, it's a lazy summer day

It's a lazy summer day,
Sandy castles we have built
It's a lazy summer day,
Let me hear life of the children
No one wants to start a fight,
So let's take a walk tonight
It's a lazy day, it's a lazy summer day

You know the day won't last, trying not to move so fast
It's a daisy cabaret, so don't let it slip away-ay-ay

It's a lazy summer day
On the green grass we'll be dancing
It's a lazy summer day
So there's no need to be fencing
So slip off your shoes awhile
It's a day to make you smile
It's a lazy day, it's a lazy summer day
