Sit down, take off your hat  
Listen to all of the things that I've got on my mind  
Lately you'll understand but I know  
It has to be done with you, just take the time

I've got to be going  
Before you start showing  
The feeling is growing  
Now it's overflowing

I must kick off my shoes  
Gotta know just how it feels to simply move around  
Come now, don't feel so sad  
If you're wrong, I'll be in touch no matter where I'm  
down

I've got to be going  
Before you start showing  
The feeling is growing  
Now it's overflowing

Ooh ooh ooh ooh ooh ooh ooh ooh  
So now I'm on my way  
Don't be shocked if you will wait to find that I have gone

I've got to be going  
Before you start showing  
The feeling is growing  
Now it's overflowing

I've got to be going  
(I've got to be going, I've got to be going)  
I've got to be going  
(I've got to be going, I've got to be going)  
I've got to be going  
(I've got to be going, I've got to be going)  
I've got to be going  
(I've got to be going, I've got to be going)  
I've got to be going  
(I've got to be going, I've got to be going)
